Re: O'Hara v. City Testing Centers, LLC, et al
Case No.: 23-cv-03873

Your Honor,

This office represents the Plaintiff, Brianna O'Hara in the above referenced action brought under the Fair Labor Standards Act ("FLSA") and New York Labor Law ("NYLL"). We write, with Defendants' consent, to request a two-week extension of Plaintiff's deadline to submit an opposition to Defendants' letter motion requesting a pre-motion conference. The current deadline is today, and this is our second request for an extension of this deadline.

As the undersigned previously advised the Court, trial counsel on this case, Amit Kumar, had an unforeseen, serious family emergency that has had him out of the office since earlier this month. [DE 20]. Lamentably, the emergency recently took a turn for the worse and Mr. Kumar is now on bereavement leave until further notice. We now ask for one last extension, i.e., of two weeks, to November 9, 2023, to submit the opposition. Even if Mr. Kumar is not back to the office by then, the undersigned will submit the opposition by the new deadline.

We apologize for making this request at the last minute, but did not want to make it unless we were sure it was needed and how much time would be needed. Accordingly, we ask the Court to grant this request.

Respectfully Submitted,
LAW OFFICE OF WILLIAM CAFARO
